- Public Beaches
- Duval Street

Welcome to Cayo Hueso! (Key West)

The southernmost point in the continental limits of the United States, lying approximately 120 miles out to sea from the southern tip of Florida.

Our unique isle is only 3x5 miles, free, free, pollution free and a tropical paradise for young and old.

Temperatures vary only 12 degrees year round, (average -77 degrees) making Key West an ideal vacation spot and desirable homeland.
